

FOOD PANTRY SPONSORSHIP

You're invited to ensure **everyone** in our community has access to nutritious food

The number of visits to our food pantry has nearly tripled since 2021. For the first time in our 40-year history, there is a significant gap between how much food we can provide with our current resources and what we need to ensure neighbors in our community don't experience hunger.

SPONSORSHIP PACKAGES AVAILABLE

Help bridge the gap between resources and demand for food for one week or one day
